CED/NOF-IADR

2024 Oral Health Research Congress

12 — 14 Sept 2024
Geneva, Switzerland

**CONNECTING ORAL
HEALTH RESEARCH
IN EUROPE**

An international multi-disciplinary research meeting hosted by the CED-IADR and NOF divisions of the International Association for Dental Research. Two-and-a-half day programme of Oral presentations, Posters and Symposia lectures.

CED/NOF-IADR 2024 Oral Health Research Congress

12 — 14 Sept 2024
Geneva, Switzerland

www.ced-iadr2024.com

We are thrilled to invite you to the forthcoming 2024 Oral Health Congress, organised by the CED-IADR in collaboration with the Scandinavian division (NOF) of IADR. The event will take place from September 12 to 14, 2024 in the beautiful city of Geneva, Switzerland.

As the largest multi-disciplinary scientific meeting in Europe, the 2024 Oral Health Congress promises to be an exceptional platform for dental researchers, practitioners, and academics to come together and explore the latest advancements in Oral Health Research. We have curated a compelling set of reasons why this congress should not be missed:

Unparalleled Scientific Exchange: Engage with a dynamic programme featuring oral presentations, posters, keynotes, and symposia to access cutting-edge developments in oral health research.

Networking Opportunities: Forge meaningful connections with experts worldwide at exclusive networking events set against Geneva's stunning backdrop, fostering collaborations and knowledge sharing.

Young Researchers Support: Recognize outstanding young researchers through prestigious awards and grants, providing recognition and support for their impactful contributions to dental research.

Empowering Future Leaders: Tailored events by 'YOUNG CED-IADR' empower young researchers, enabling them to network, collaborate, and gain insights to excel in their dental research careers.

Empowering Future Leaders: Tailored events by 'YOUNG CED-IADR' empower young researchers, enabling them to network, collaborate, and gain insights to excel in their dental research careers.

We firmly believe that your presence at the 2024 Oral Health Congress will contribute immensely to the success of this event. Your expertise and knowledge will undoubtedly enrich the discussions and foster innovative ideas.

GENEVA and the GICG ***(International Conference Centre Geneva)***

Nestled at the heart of Europe, Geneva is a city that seamlessly blends tradition with innovation, making it the perfect backdrop for our upcoming gathering.

With its breathtaking Alpine landscapes, pristine lakes, and a rich cultural heritage, Geneva has long been celebrated for its natural beauty and historical significance. But what truly sets this city apart is its unwavering commitment to progress and forward-thinking ideals.

Geneva's illustrious history as a hub for diplomacy and international cooperation, epitomized by the United Nations and numerous international organizations based here, reflects its enduring dedication to fostering global unity and peace. It is a city where ideas converge, where dialogues transcend borders, and where innovation thrives. Moreover, Geneva's well-developed infrastructure, efficient public transportation system, and world-class conference facilities ensure that our event will run smoothly. The city's international airport and excellent train connections make it easily accessible for attendees from around the world.

In this captivating city, where the French and Swiss cultures harmoniously blend, you will discover exceptional culinary delights, luxurious shopping options, and a diverse range of accommodations to suit all preferences and budgets.

As you prepare to embark on this intellectual and cultural journey, we invite you to explore Geneva's vibrant culinary scene, its world-class museums, and the charm of its Old Town, all while enjoying the stunning vistas of the surrounding mountains and the pristine shores of Lake Geneva.

It benefits from a privileged location in close proximity to the Place des Nations, the main International Organisations and permanent missions based in Geneva.

The congress will take place in the International Conference Centre Geneva (CICG), which can accommodate up to 2'200 people in its spacious rooms with variable configuration and equipped with cutting-edge technology.

Sponsorships levels

Please find below some package offers for the different sponsor levels. You are of course free to put together your individual sponsoring package by choosing the items that are most appropriate to your company policy. Should the amount of your support reach the below mentioned levels, your company will then automatically qualify for the appropriate sponsor title. The sponsorship levels below are not exclusive titles (unless specifically stated).

If more than one company requests a unique sponsorship opportunity the priority will be given to the company providing the highest level of support to the congress.

In the further event of an equal level of sponsorship occurs, the company which signed up first will be chosen to host the sponsorship item.
